Using Agency  MAA Maryland Aviation Administration			Contractor Name, City State	Contract Identifier & Project Title  MAA-SV-20-002 Operation of Automated Teller Machine Services at Martin State Airport and MAC Bldg.	
Description/Remarks (Include reasons for contract modifications, if applicable, and indicate if extension or renewal option)  After opening of bids, the MDOT MAA discovered the pricing received far exceeds available funds and it would not be appropriate to adjust quantities to come within available funds. Therefore, the State could no longer reasonably expect to fund the procurement. In accordance with GI-I.03 Conditions Governing the Procurement and Code of Maryland Regulations (COMAR) 21.06.02.02 (C) Rejection of All Bids or Proposals, the MDOT MAA has determined that cancelling this procurement is fiscally advantageous or otherwise in the State’s best interest.
